Team Worldwide Partners with Kalitta Air as CRAF Partner

<Dallas, Texas> November 19, 2020

Team Worldwide, a global 3PL company, has entered into a Civil Reserve Air Fleet (CRAF) partnership with Kalitta Air. As a CRAF Agent, Team Air Express dba Team Worldwide is now officially performing as a Transportation Service Provider for Kalitta Air. Offering both scheduled and chartered transportation services worldwide, Kalitta Air is a FAR 121 Air Carrier and a leading provider of air cargo transportation.

As Team continues to focus on our Government Defense Services, the company will utilize our core strength of our people and their skills to support our military. As a CRAF agent, partnered with a CRAF carrier, door-to-door service required by the DoD is provided.

“As we worked to build out our Government Services program, our corporate leadership and Branch Owners were invested in an all-out effort to achieve the CRAF agent designation,” shared LaWanda Ray Smelley, Vice President of Government Services at Team. “Moving forward as a certified TSP, our primary commitments are serving the DoD and providing strong TeamGOV operational support for our Branch offices.”

Team Branch Owners are pleased with the opportunity to move international import/export, domestic door-to-door, time definite, air shipments under the GHS contract.

Jason Brunson, President and CEO of Team Worldwide said, “Our employees share great pride in every opportunity to support our military and the United States government. We are thrilled with this partnership and look forward to growth in our Government Services sector.”
